

Linking Curriculum Learning to Careers

All teachers link curriculum learning with careers in a variety of ways. Real-life contexts and examples from the world of work are included in the scheme as follows:

Subject: Sports and PE

Teacher Mr Morgan

	Winter Term	Spring Term	Summer Term
Year 10	Do Now activity explaining what courses available in the 6th Form for Sport when finish Key Stage 4 courses.	Teacher career profile- Will create a career pathway from myself about how ended up at WSC and roles/qualifications and experience had along the way.	As Term 2
Year 11	Year 11 Canmat in Sport students took part in a one day Outdoor Activities Day with Channel Adventure at the COACH Centre in Taunton. They took part in half a day of canoeing and half a day of orienteering. At the end of the day, instructors Ben and Alicia described their journeys to becoming Outdoor Pursuits instructors and also the Career opportunities available with Channel Adventures such as apprenticeships, seasonal jobs etc. One of their apprentices who helped on the	Will create a career pathway from myself about how ended up at WSC and roles/qualifications and experience had along the way.	

	day also spoke about his journey from school to where working now with company and how company help		
Year 12	University degree board in PE Department shows the possible degrees and careers available in sport and entry requirements to get into university. Year 12's will also complete OAA day with Channel Adventure in March 2020 and will have the same speech as well.	Will create a career pathway from myself about how ended up at WSC and roles/qualifications and experience had along the way.	
Year 13	N/A
