SCHOOL

Candidate Pack

Teaching Assistant
ACE Tiverton School

Headteacher's Welcome

Dear Candidate,

ACE Tiverton is a new 11-16 special school. We opened in September 2019 with 35 students across Years 7-11. This year we have expanded to 60 students and we expect to be full in September 2021 with up to 75 students. We are a Free School Academy with a designation focused on education and supporting students with a diagnosis of Autistic Spectrum Condition and related Social, Emotional and Mental Health needs.

All of our students have an EHCP (Education, Health and Care Plan) and are supported in their tutor and teaching groups by teachers and teaching assistants. We aim to keep our groups small with no more than 10 students, allowing us to deliver the personalised, differentiated learning that enables our students to succeed.

Our school is a welcoming, inclusive and safe learning environment in which vulnerable pupils are valued, cherished and nurtured. Our priority is engagement and strong relationships. Our students are all bright, humorous and interesting young people with their own backgrounds, stories and contexts. Many have been out of full-time education for significant periods before coming to us. They thrive in an environment built on mutual respect, genuine interest and transparency. 'Unconditional positive regard' is our mantra and we firmly believe that every day is a new start.

Our talented, experienced team of staff take pride in working relentlessly to ensure that every individual leaves us as a confident young adult who is well prepared for their life after Year 11, whether they go into employment or take up further education opportunities. At times, such as when meeting new staff for the first time, our students can be challenging and seek to test out boundaries and expectations. If you are motivated to create excellent educational experiences, have inspirational interactions and rewarding relationships with students who deserve amazing adults who care, are curious and driven by a desire to enable them to be the very best they can be, then we are the school family for you.

If, after reading this pack, you are interested in being part of our fantastic team, please contact us to arrange a tour of our school building – visits are warmly encouraged, although these will need to be after 2pm due to Covid restrictions. Thank you for your interest and good luck with your application!

Role Summary

As part of our planned expansion, we are looking to recruit additional full-time Teaching Assistants to support high quality teaching and learning to KS3 and KS4 classes from September 2022.

We currently have a strong team of specialist TAs from a diverse range of backgrounds who mainly assist in one subject area, based on their skills, experience and areas of interest or an interest in supporting a KS3/4 Nurture Group. SEN/ASC experience could be an advantage, but our overriding priority is to find the right people to join our team and full training will be given.

You will work with a team of Teachers and Pastoral Assistants to equip students with life skills that will enable them to thrive as independent, skilled adults who can navigate the multiple demands of the wider world. We are looking for proactive, resilient practitioners with the ability and flexibility to act as a key person for a small group of students, overseeing specialist and pastoral support, alongside assisting with the teaching and learning of a specialist subject to all classes.

We are developing an excellent reputation for providing student-centred learning and support with the highest level of challenge to ensure our students attain the highest standards of personal, social, emotional and academic development. We have 60 students currently on roll and a further 15 students joining in September 2021, all of whom are in receipt of an Education, Health and Care Plan. If you want to help us deliver bespoke, innovative education tailored to the needs of our unique students, then we would love to hear from you.

About Transforming Futures Trust

Transforming Futures. Changing Lives.

Transforming Futures Trust works with children for whom mainstream education is not right: young people with behavioural challenges; children with mental health concerns; students who find the traditional setting of a school intimidating. It is not an exaggeration to say that we change these young people's lives. Our extraordinary staff can connect with these children and apply the principles of trauma informed care to enable them to reach their potential.

Transforming Futures Trust's core aim is to create 'positive futures for all'. We are building a culture of Trauma Informed Practice in all our schools which supports the wellbeing and development of all children and young people, Headteachers, School staff, parents/carers and stakeholders and the wider communities they are a part of. We have proven educational practice and strong leadership which has enabled us to develop new provisions across the southwest to meet the needs of children and families which have not been met in existing schools in the area. Since it was established, TFT has developed a highly effective internal capacity to support schools in their work with children and young people, helping them to make the biggest difference to their life chances.

Transforming Futures Trust was formally set up on 1st June 2016 (previously known as ACE Schools Multi Academy Trust) with the aim of growing from a single educational provision in Plymouth into a group of Schools across Devon and Cornwall. Our simple aim is to support the development and improvement of the education for all pupils within the Trust and beyond through school-to-school support.

In addition to **ACE Tiverton School**, there are two other schools in the Trust:

ACE Schools

An alternative provision for children from 4-18 with sites across Plymouth, Cornwall, and Devon.

Courtlands School

Based in Plymouth, Courtlands supports 100 primary aged children who have Moderate Learning Difficulties, Social, Emotional and Mental Health Difficulties (SEMH), and other complex needs.
