English is an essential part of all curriculums. Luckily it is also the most accessible subject as we all use it everyday in a myriad of different ways.

What qualifications can I achieve in this subject?

Functionals Skills and GCSE's.

What skills will I learn and practice in this subject?

We focus on reading, writing, speaking and listening with a little SPAG thrown in for good measure.

What jobs and post 16 education opportunities can I go on to do with this subject?

With a level 2 qualification in English, equivalent to a Level 4 in GCSE, most opportunities will open-up.

What else should I know about this subject?

It is fun. English is the language we all use to make sense of our world, to ask questions and seek answers. The more we understand the power of words the more able we will be to get what we want.

Do I need any specific resources or kit for this subject?

No just an open and inquiring mind which all of us have even when we don't realise it.
