## Student Achievements!

Well done to some of our students in Grandin this week for completing their biology paper in Science!

# THANK YOU!

A massive thank you to all our students for last week's Children in Need!

Altogether we raised £200!

Congratulations to all our prize winners and well done to those who baked some fantastic Pudsey bakes!

## Learning Look...

Mrs Davey would like to say a massive well done to all the students who have been taking part in Alpaca Therapy.

They have showed great determination and resilience in the work they have done and have all given something new a go!

The Way We Talk training programme is breaking the link between speech, language and communication needs and disadvantage, exacerbated by COVID-19, to improve relationships, resilience, social, emotional, mental health and life chances.

It is giving parents, carers and professionals the opportunity to upskill in this area and close the gap left by the pandemic.
